Psychadelic post rock in the style of early Pink Floyd. or Velvet Underground. 12 MP3 Songs ROCK: Psychadelic, ROCK: Acoustic Details: Horus8 is the song writer, and creator, of The Werewolves. This record is some of his earlier work, and definitely more edgy and controversial. Revealing, in a sense, you can see him coming of age while making this record. Horus8, is currently an underground poet from Uranus, And the Werewolves? Super models he picked up on the Way to sell out in Hollywood. Buy the book sun-rising-books.com/juno_s_peacock_1.html
