PLUS BONUS HIDDEN SONG! Great Headphone Experience * Great Driving Music! Corpus Delicti (R. Barach) * Randy Barach - piano (WDM) Walking Down Mainstreet (Music by R. Barach, Lyrics by R. Barach, M. Tometich) And now I see you now every day, Yeah, you're walking down Mainstreet, Because you're living in a fantasy, And any boyfriend ain't gonna be * God saved the Queen * And now you now you're so far away, All the lying won't go away, Please set me free why don't you, Cause I don't want to be on Mainstreet * God saved the Queen * Now I've been walking down Mainstreet * Randy Barach - lead vocals, electric acoustic guitars, bass, drums * Michael Tometich - vocals * R. M. Tobin - Harmonica Line to Heaven (R. Barach) Heaven knows I've done no wrong, I only want to sing this song, Why did it have to end this way, Only a fool like me could say * If I ever had a line to heaven, I swear I'll take you there, If I ever had a line to heaven, I swear I'll take you there * Where would I be without you now, I'd have to make it through somehow, Only time will tell me so, All the things I need to know * If I ever had a line to heaven, I swear I'll take you there, If I ever had a line to heaven, I swear I'll take you there * How do I find all the answers, For all the questions deep inside, And all the laughter that we shared, Will touch my heart and make me cry * If I ever had a line to heaven, I swear I'll take you there, If I ever had a line to heaven, I swear I'll take you there * Randy Barach - lead vocals, electric acoustic guitars, bass, drums * David T. Paul - violin * Mark Colgrove - piano Think Ahead (R. Barach) Think ahead tomorrow's another day, Straight ahead the path will lead the way, Live or die choose another way, Peace and love will always be the way * There's too much else on your mind * Live

today love might not be the same, Every day your goals are not the same, Praise the Lord we live another day, The devil knows that he will go away * There's too much else on your mind * All you got is time, You better think ahead * Randy Barach - lead vocals, electric acoustic guitars, bass, drums * Michael Tometich - backup vocals Together (R. Barach) Do you really love me, Or we playing games, And I can't believe this, I might go insane, I really need to know, oh, I made a big mistake, Are you going to be here, When I go away * Na Na Na Na Na Na, Well be together * Are you gonna meet me, Or you playing games, You really need to be here, Like you and me, Cause I really loved you, And you loved me to, Yeah Yeah Yeah Yeah Yeah Yeah * Na Na Na Na Na Na, Well be together * Randy Barach - lead vocals, electric guitar, drums, percussion * David T. Paul - violin * Mark Calgrove -piano * George Santoyo - bass Tomorrow (R. Barach) Yesterday will I forget you tomorrow, Everyday will you remember me tomorrow, Later day's life will go on without the sorrow, Another day but will the pain go on tomorrow * Will I remember you, Tomorrow I'll remember you * Lazy days w'ell be together but tomorrow, All you say I won't believe you but tomorrow, Saturdays will always be there but, Stay away that's just the way you want to be * Will I remember you, Tomorrow I'll remember you * Now that you're in the world, I know it will be okay, Now that you're in the world * Every day don't think you really want to be here, Why don't you have another beer, Go on and walk out of the door, Watch out you might just hit the floor * Will I remember you, Tomorrow I'll remember you * Randy Barach - lead vocals, electric acoustic guitars, bass, drums, percussion * David T. Paul - violin The Way It Used to Be (R. Barach) What happens the day after, Where are we gonna be, The way things should be, I don't want to go away, The way it used to be * Where is your life gonna be, When you need another place to be, Why do you have to go, Why can't things be the way they were * The way it used to be * When you say all these things, What do you really mean, How will it be today, Now that you're gone away * The way it used to be * Randy Barach - lead vocals, acoustic electric guitars, bass, drums, percussion, piano * David T. Paul - violin * George Santoyo - guitar solo Runaway (R. Barach) Yesterday I saw your big brown eyes, There staring at my face, But all the while I really want to cry, 'Cause this love will never die * And I need you here, 'Cause I want you near, Every time I'm here, I can't stay away * 'Cause I'm running yeah I'm running, 'Cause I'm running I'm running away * I think about you all the goddamn time, You're stuck inside my head, You make me laugh it feels so good inside, But then I go run and hide, I wish that I could tell you how I feel, All the words I scream inside * And I need you here, 'Cause I want you near, Every time I'm here, I can't stay

away * 'Cause I'm running yeah I'm running, 'Cause I'm running I'm running away, 'Cause I'm a runaway *

Randy Barach - lead vocals, drums, bass, electric acoustic guitars, percussion * David T. Paul - violin All Right (R. Barach) Every time I try to leave you, You won't be home tonight, Every time I really need you, You won't be home tonight * I know you can't believe it's right, And you can't believe that it's a fight * I need you to be with me tonight, Why can't you make this time all right, It's everything you see in sight, But everything will be all right * I know you can't believe it's right, And you can't believe that it's a fight * All right it's gonna be alright * Randy Barach - lead vocals, acoustic guitar, piano For the Very 1st Time (R. Barach) Every time we try to get together, The wife makes another phone call, And then we come up with another idea, A hard hittin' rock 'n' roll song * For the very 1st time * Then we have a little more white wine, And then the song will really go far, Put it together then record it later, The limousine will not take us far * For the very 1st time * Making sure that girls are not in the way, Will always try to rip us apart, Breakdown the obstacles that get in the way, Has kept us on the right track so far * For the very 1st time *

Randy Barach - lead vocals, acoustic electric guitars, bass, drums, piano The Things We Do (R. Barach) Every night I go to bed, And I dream inside my head, About the way things might have been, I need another drink again, Antisocial suppression traits, Drug abuse and psychotic states, Mental illness and deranged ways, It's all in the United States * Why do we do the things we do * Every morning I wake to see, Gray pollution and MTV, Then I know it's reality, The day will come but can I really see, Terrorism in the country, Bloody wars and hypocrisy, Biochemical weapons to see, Everyone needs more gasoline * Why do we do the things we do * And all the people they want to say, They would do it for the right way, Even though they won't do the same, I'll get on my knees and start to pray * Why do we do the things we do * Randy Barach - lead vocals, electric acoustic guitar, bass, drums, piano * David T. Paul - violin Narcissistic (R. Barach) * Randy Barach - piano, drums * David T. Paul - violin Melodic Metronome (R. Barach) * Randy Barach - drums, percussion The Mountain (you me) (R. Barach) High in the mountains, Low in the sea, Looking for something, Something to see, Gonna do it my way, Or else you'll see, Might be the mountain, On the way to see * High on the mountain, When I go to the deep blue sea * Once I reach the mountain, I know you'll see, The white rivers flowing, Across the sea, Don't you hear it calling, Something for me, So I close my eyes now, What do I see * High on the mountain, When I go to the deep blue sea * You and me * Randy Barach - lead vocals, acoustic electric guitar, bass, drums, percussion, piano * George Santoyo - guitar solo Casa Alegre Overture (Music by R. Barach, Lyrics by R. Barach, M.

Tometich) So now you know * Gotta move on * She would not say goodbye * Can't say goodbye * Show me the way * Forever tomorrow * Wastin' time * Baby goodbye * Why should we stay together * Randy Barach - lead vocals, electric guitar, bass, drums, percussion Safe Sax (gniksam sdrawkcab) (R. Barach) * Randy Barach - drums * David T. Paul - saxophone Food for the Moon (G. Santoyo) Living in the city, Everything's a mess, Living in the deep, Money's worth less and less, Now my honey, Won't receive my kiss, And I ask the Lord, What did I do to deserve this, I am nobody, I have no name, I'm just living, And dying in my shame * And it's natural to assume, It's all just food for the moon, Food for the moon yeah * George Santoyo - electric guitar * Randy Barach - lead vocals, drums, bass * R. M. Tobin - harmonica * David T. Paul - saxophone Try God (R. Barach) I don't wanna live this life anymore, Won't somebody please help me find the door, I need someone to stay today, Jesus Christ will wash my sins away, I don't wanna feel this way today, Just help me find the way, I won't go back to my dirty ways, I just wanna make it today * Give it away, Give it away, Give it a, Give it away, Give your heart away today * Try God * I don't wanna live this life anymore, Won't somebody please help me find the door, I need someone to stay today, Jesus Christ will wash my sins away, I don't wanna feel this way today, Just help me find the way, I won't go back to my dirty ways, I just wanna make it today * Give it away, Give it away, Give it a, Give it away, Give your heart away today * Try God * Randy Barach - lead vocals, electric guitar, bass, drums, percussion * George Santoyo - electric guitar, rhythm solo Who Ripped Off Who (G. Santoyo, R. Barach) Randy Barach - drums, bass * George Santoyo - electric guitar, bass The Hidden Song (R. Barach) Randy Barach - mandolin, bass, drums, percussion
