Jazz Vocals 11 MP3 Songs JAZZ: Jazz Vocals, JAZZ: Traditional Jazz Combo Details: "Linda Dagnello's vocal gifts shine throughout these ballads, swing, and latin tunes. A sultry style, with coy phrasing that shadows slightly behind the beat. A 'cool school' vocalist that bounds through swing tunes like a kid on the first day of summer vacation." Accompanied by a stellar cast of jazz musicians each adding their own distinctive sound to the recording. Dick Odgren on piano, Bob Simonelli on bass, Mike Connors on drums, Bill Fanning on trumpet and flugelhorn, and Mike Wakefield on alto sax. All join together to give these, somewhat obscure, mainstream jazz standards a fresh and unique approach.
