Blues Woman indigo smacking a mean spoken word riff over the collective walls that surround our souls. 15 MP3 Songs SPOKEN WORD: With Music, SPOKEN WORD: Poetry Details: In Watersnake Blues, Linda's poetry, joined by jazz, blues, Native American and world music, magic trances the listener on a hypnotic journey through blues landscapes both ancient and modern. In her "Rattlesnake Blues" and "Watersnake Blues" cuts, humor, sensuality and totemic symbols combine to blow the blues wide open. "Black Ice", "Plastic Tablecloth Blues", and "Road Kill" rocket the blues right into the 21st century. And "Joy in the Morning" and "Sideways Rain Blues" lay out a defiant, uplifting, and inspirational take on the earthy world of the blues. This CD comes packaged in a FREE Watersnake Blues Booklet.
