Pop songs with a swing-jazz beat--modern "standards". 14 MP3 Songs JAZZ: Jazz Vocals, FOLK: Folk
Pop Details: MIKE ON MIKE is my second CD, fifteen songs new and old that I recorded, solo in the studio, in January 2002. You could call the CD a grab-bag of song demos, but in making MIKE ON MIKE, the CD became more than that for me. This is my music, played and sung by me on my own. I love to play with a band, but something can happen when a solo artist faces the microphone alone--a kind of naked magic--and I felt that making MIKE ON MIKE. Blues, ballads, rockers, a Manhattan feel but a touch of country too--the songs of MIKE ON MIKE touch a lot of chords Enjoy!
