American hard rock is in need of a triple-bypass, and Mojo Rib is holding the scalpel. Ass-kicking, good-time rawk for the 21st Century. A tailgate party for the ears. 10 MP3 Songs ROCK: Hard Rock, METAL: Heavy Metal Details: "...Simplistic, stomping rock 'n roll riffs with fiery histrionics and a stadium-rock sheen ... Think prime AC/DC meeting Roth-era Van Halen ... Rock gods-in-waiting." -- Kerrang! "What can you say about Mojo Rib? They're younger than AC/DC, harder than Guns N Roses, cooler than The Darkness and have more classic tunes than a Tower Records warehouse -- in other words they just kick arse. Get into them now, because they're going to be as huge as it's possible to get." -- Andii Wax, Totalrock.com "Great songs, great fun, 100 Rawk 'n Fuckin' Roll!" -- KNAC.com "1984-era Van Halen re-imagined as sneering SoCal garage rock." -- Brent Simon, Entertainment Today "The most fun you can have with your clothes on OR off. In a word, Mojo Rib RULES." -- Diana DeVille, KNAC.com "Like a straight shot of Jack Daniels, the 'Rib are satisfying, invigorating, and serve up a powerful buzz." -- Katharine Turman, No Cover
