

Mp3 Mosaic - Through The Eyes Of A Woman

[DOWNLOAD HERE](#)

This album features multiple singers in the pop, electronic and rock genres 11 MP3 Songs

ELECTRONIC: Chill out, POP: with Electronic Production Details: "The task of pushing the envelope in music has fallen to the fresher faces the singers, musicians and producers who have yet to associate themselves with major record labels. And joining the ranks of envelope pushers is Glenn Suravech, who has adopted the production name, "Mosaic" to release a promising debut album, Through the Eyes of a Woman." - JENNIFER CHANG, The Worldly
