

Mp3 Next To Beluga - Out Of Place

[DOWNLOAD HERE](#)

Dreamy pop music from danish electro-acoustic band Next to Beluga. Beluga is the caviar that James Bond prefers, and so this band chose their name, making music just as raw, sophisticated and delicate as the finest caviar. 12 MP3 Songs POP: Dream Pop, ROCK: Acoustic Show all album songs: Out of Place Songs Details: Next to Beluga is a danish pop band who creates dreamy, playful pop with a sound in between the electronic and the organic. Songs with depth and sweetness that explore the different conventions of pop music. With old synthesizers, airy backing vocals, glockenspiel, percussion and a characteristic female lead vocal, the simple pop-melody is interpreted in a distinctive universe of sound. Light pop combined with odd inventions, indie, electronica and elements from jazz. Sophisticated and simple with the atmosphere of romantic longing and nordic melancholy.
