"Original, positive, upbeat acoustic music with flawless guitars, string bass, marimbas, percussion and angelic vocals" An honest to goodness cure for what ails ya. 11 MP3 Songs FOLK: Modern Folk, FOLK: Power-folk Details: Relix Magazine says this duo is "Truly delectable and original." " The feel is total summer with a breezy hope of sunny day" reports the Pulse of the Twin Cities. It's no surprise that Patchouli has been a top selling acoustic duo this year. Julie Patchouli, who is often compared to Joni Mitchell, is an accomplished multi-instrumentalist, alternating between guitar, string bass marimbas and flutes. Bruce Hecksel plays guitar and bass and is well known for his dramatic improvisational acoustic leads and vivid instrumental compositions. Patchouli has been selected for numerous music industry showcases, including performances at APCA, NACA, ACUI and Chicago's Mobfest. Patchouli has logged thousands of miles, played hundreds of shows, made TV appearances and has been featured on world folk radio programs across the country.
