soul, easy listening, electronic, trip hop. 9 MP3 Songs in this album (32:28) ! Related styles: ELECTRONIC: Trip Hop, ELECTRONIC: Chill out People who are interested in Massive Attack Sneaker Pimps Sia should consider this download. Details: Starting fresh from success with the acclaimed band Lovejoy she moved into her solo roots and started collaborating with a variety of talented musicians around the world which is reflected in the soul of the album. Best known for her powerful voice on stage she decided to refocus her energy behind the scenes with a softer approach and in the comfort of her own home. Taking 4 years inclusive and basically completed from her living room the feel of the album can be described as simple, soft and relaxing. In the past a few single releases have been heard in and around the world of club land (Talk Dirty with JK47, Evidence is Clear with Aigis etc.). To date she continues to work with many djs and producers from all different genres. Aside from her music career Penny was formally an industry writer/reviewer of many musical acts which have included: Tegan and Sara, Paul Oakenfold, Paul Van Dyk, Joel Parkes, Roger Sanchez, Kenneth Thomas and festivals of many (WMC, WEMF, DEMF, Rogers Picnic, Ibiza etc.).
