

Mp3 Siecox - Younger

[DOWNLOAD HERE](#)

Wildly imaginative duo of of non-conventional musics featuring the inventive improvised guitar work of Sabrina Siegel and Charles Coxon 11 MP3 Songs JAZZ: Weird Jazz, ROCK: Noise Details: SIECOX formed nearly two years ago with the union of sabrina siegel and chuck coxon. The two coming from different arenas of the art/music spectrum (sabrina's background as a visual artist/theorist/performance artist/opera singer/avant-garde musician and chuck's as writer and composer/performer in the rock genre, blend their sensibilities to create a completely new sound, free of classification. Their improvised music is both playful and intense, with a range of expression from the most feeble and small or soft of forms to the giant, hard, and horrible. track 1 siegel and coxon on guitars improvised, later added perc. and train sound. track 2 siegel and coxon on guitars all improvised track 3 siegel on guitar and coxon on perc. and vibes all improvised track 4 siegel on guitar and coxon on vibes all improvised track 5 siegel and coxon on guitars improvised track 6 siegel and coxon on guitars improvised track 7 coxon on improvised guitar , coxon on vibes and the voices of his boys added later track 8 siegel and coxon on guitars improvised track 9 siegel on guitar and voice improvised, children added later track 10 siegel on guitar improvised track 11 siegel and coxon guitars and vibes manipulated by coxon
