ElektroShred -- a fusion of instrumental guitar and elements of electronica, ambient, and world music 14 MP3 Songs ELECTRONIC: Techno, ROCK: Instrumental Rock Details: "Imagine Joe Satriani jamming with Orbital and Prodigy..." -- listen.com, on STATE4 Start with one guitar with a split personality -- half the time it sings sweet and beautifully, the other half it spends growling metal influenced shred. Marinate the guitar in a sauce of equal parts techno synth, wild dance beats, and complex drum'n'bass arrangements. Top this with a cup of dark ambient sound, and finally add a sprinkle of world music spice. Bake at 350 for 71:19 (total CD playing time) and cut into 14 tracks. Serve hot. Crossover fusion just doesn't get any cooler than STATE4's self titled debut release. It tastes exotic, it tastes unique, it tastes one-of-a-kind. Yet no matter how much you listen to this album you will always be ready for seconds. Check it out!
