Details: Hello there everybody, my name is Tami J. Wilde and welcome to my bio info here on Cd Baby. A lil bit about myself..I was born in Kitchener, Ont. Canada and now live in the country in Ennismore, Ont. I have been tinkering with music since I have been 17 and started writing when I was approx 22 yrs of age. I play a 12 string Norman I have a Grand Daddy that has been with me for 20 years and I have a newer version that was shipped from California to me. Both guitars are a lil different there is a variation in tone and neck width but both are very unique. Why the 12 string..why not? fullness of sound when doing solo venues plus the challenge of using one in a full band. It is the guitar that belongs slung across my shoulder I would feel incomplete without Norman. My Cd is an organic creation that unfolded over a four year period. I love writing it is my niche. These songs are from the heart, some come from life experiences, some from fun and some are personal. One Long Song is a collaboration of my writing combined with the recording talents of my dear friend James McKenty from Sound On Sound Music in Peterborough Ontario...plus alot of vey talented musicians to boot. The songs are true to the heart, rocky, country, folky with a bit of blues also in there. I write and play music because I love to it is a gift to me and I am thankful for this gift, and want to share it and get it in as many hands as possible and get as much air play as I can get, it is such a self satisfying feeling when your product is complete and you can sit back and say "Man i can't believe I did this" One Long Song is only the start for me and it is selling extremely well with great revues and getting airplay. I have played countless venues and am always writing I will be releasing more in the future to you. If you are ever in the area please check out one of my shows just click Tami J. Wilde to get any info on me and please come forward to let me know how you heard of me cause that is important and you the fan, the buyer the promoter are the most important in this

industry. What does my future hold?... Another cd,Nashville, living life sharing my gift,loving my family,friends, meeting many new faces,fellow musicians,music people, playing many venues,making new goals,but most of all having a whole buncha fun.So on that note... Have a great time listening to One Long Song, if you purchase the cd or songs I thankyou immensely I will be working on a webpage soon and keep havin fun out there cause theres Sumthin Good Going On..yeah.. sincerely Tami J.Wilde
