and IMAJ. He also freelances with other bands in Orlando and Miami from time to time. Joel is passionate about music. His desire is to produce music everyone will want to dance to. THE MUSIC TROPIGROOVE's first CD album TROPICAL FLAVOR was released on November 2002 to rave review. The St Petersburg Times in St Petersburg Florida said: The duos compositions are buoyant and breezy, calling to mind the salty seashore of the Caribbean THERAPEUTIC VIBES is the second album It may have taken a little longer than anticipated, but this album is worth the wait. The concept is simple, we create and play music everyone will not only enjoy but will feel good about. No exception. The basic rhythm is very much tropical but peppered with universal influences, so we can stimulate everyone musical nerves. Listening to this music will create pleasant enjoyment in an instant.
