holds you down Did you know You are the Son Let go and feel And be the One ----- 2nd Verse:
Many times I've heard it said it's too late for this For the deals have all been made and then sealed with a

does not exist ----- (Chorus) ----- Bridge: How can there be light in the mind when it's
closed Light shines through an open door How can there be love in the heart when it's closed The heart
cries out for more The heart cries out for more ----- (Guitar Solo) ----- 3rd Verse: When

My story goes before me Stretching on and on and on From now to the horizon It will continue till I'm gone

----- (Guitar Solo) ----- 3rd Verse If you see your brother standing on the road And you
