

Falcons Of France - Charles Nordhoff,

[DOWNLOAD HERE](#)

This early work by Charles Nordhoff and James Norman Hall is both expensive and hard to find in its first edition. It tells the story of an enthusiastic, young American and his time as a pilot during World War I.

This is a fascinating work and highly recommended for anyone interested in military history. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
