Mark Hendricks Live RESELL RIGHTS INCLUDED! For a limited time you can get these 14 hours of internet business training audios along with FREE Resale Rights... Mark Hendricks - LIVE! One of the worlds top internet business and marketing experts held a 2-day workshop and answered whatever questions the audience had, nothing was held back! Now you can listen in, just like you were sitting there with him as he answered all of these questions: * How to start a paid membership site at low cost, but with as many bells and whistles as possible * Which membership software is best...and the advantages, costs, use of each * What software to use for doing testing for Pay Per Click ads * When testing a Pay Per Click ad, how long or how much to spend before changing the ad to test a different version of the ad * Terrific tips on split testing, and why you should be doing it correctly * The fastest way to make money online on a limited budget * How to build a list quickly * What are the best SEO strategies * What to do if you are just starting out to establish yourself with a solid product based business, and to stand out from the crowd * Which tools, software and programs are the ones needed to start your business on the right track * How long should the pre-launch period be before the actual launch * How do you ensure

consistent cashflow when projects are delayed * How do you protect your legal rights to your product *
What sequence should you use for your follow up emails for non-buyers, buyers, and the general public *
As a new marketer what is the best way to set up JV deals, as in percentages, contact emails, and more *
What is the easiest a best way to monitor and get affiliates and JV partners paid * A specific blueprint you
would recommend to develop an online business * The best way to develop a strong customer base *
Which is better, having several affiliate websites, or 1 or 2 affiliate sites promoting similar products * How
to set up a payment page * What are some of the changes coming up in internet marketing * Can you set
up to make a moderate amount of money, or is it a lot or nothing * How to research and confirm the
demand for an IM Newbie product line that would include an ebook, videos, membership site, etc. * How
to REALLY find a niche, get traffic, build a list, make money, and get JV partners * A good system or
software that helps you keep track and organize your business * Special things to know besides
translation and handling payment if you want to market to the burgeoning Chinese market via the internet
* The next wave of long term marketing on the internet * How to decide what type of business would be
best for you * The best ways to make a success of a business on a limited budget * How long does it
usually take to achieve some type of return for your time and money * What is the most comprehensive
suite of integrated usable tools to support any specific internet marketing niche whether it be direct sales,
affiliate marketing, blogging, etc * How to write great sales copy even if youre not a great sales copywriter
* How to set up redirect page so people dont see your affiliate links * How to set up affiliate links with
Click Bank * And much, much more! You get: * 8 mp3 audios containing over 14 hours of internet
business training * This salespage and companion thank you and download pages * FREE Resale Rights
