Piano Instrumental: mellow, melodic, emotional, inspirational, calming, pure poetry in instrumental song
14 MP3 Songs EASY LISTENING: Mood Music, NEW AGE: Ambient Details: Albert Morris has been called a fountain of melody in his performances and composing sessions with fellow musicians. The Heart is the Essence of his strains, the Emotion of Sensitivity is its appeal, the Calmness of Sweet Surrender to his Music as it wafts through each fiber of awareness is the Calling Soul of this Artist on Piano. Each musical piece stands alone in its originality and has a distinct and memorable character of its own. Albert bespeaks his own originality and personal character of spiritual calmness and desire in his songs. Like his long flowing golden hair, so each note poised in piano flows lovingly, passionately and sensuously in rhythm to the listeners imagination. Alberts melodies are strong without overwhelming ones repose. His piano songs are memorable and singable; one will dream and see the visuality of his music, feel the emotion in his inspiration, even be able to sleep to the subtle seductiveness of these wafting tunes. Albert Morris is a quiet creature of thoughtful demeanor. His piano playing of all original compositions denotes his spiritual nature, his contemplative yearnings for connection and his positive faith in human emotion and honest expression of individuality.
