With the soul of Mary J, and the grace of Whitney. Amore's definitely a force to be reckoned with. 15 MP3 Songs URBAN/R&B: Contemporary urban, EASY LISTENING: Adult contemporary Details: Are you ready for a melodic songstress whose music embodies the ingredients that inspires the heart and moves the soul? If so let me introduce you to Amore' Rayne. Amore' is as captivating as her name. She is a native of Charleston South Carolina. Much like her aunt Brenda Holloway who belted out hits like "Every little bit hurts" while signed to Motown Records, Rayne takes no prisoners when it comes to her singing and writing gift. Though Amore' is a strong, eager, self efficient woman, not to mention talented and humble, her life has not always been easy. She has traveled down her share of painful and abusive roads. Not by choice, but by circumstances. Through her music you can feel her pain as well as her joy. She wants her music to reach the world so that she can give life to those who are hurt and broken. She wants to give hope to those who have shattered dreams! " I want to empower that woman or man that is in that abusive relationship, be it sexual, physical, mental or emotional, to love themselves enough to make better decisions" she declares. She wants to show them that they can make it, if she did they can! Through her music she tells her life's story! She is an innovative song writer, and an angelic performer. Her self written debut album titled "Journey" is just that; a journey of her life. By the end of each song you will feel empowered and inspired! Not only does she inspire you, her music is fun and exciting. It's like a breath of fresh air! "my life" is Amore's first single off of the album. It is a song that speaks to your heart. It is a song of encouragement and empowerment. "My Life" teaches you that you are not alone. through all of life's trials someone was always there for you. it shows you how to appreciate those around you. Amore' is a natural song bird! Close your eyes, listen to the words of her songs. You will clearly experience Amore's journey along with her. Amore' is pursuing a dream that is destined to change the

world. I present to you Amore' Rayne
