BigMuff's Diva-Driven Vixen-Rock with its powerful guitars and melodic vocals will have you coming back for more... 7 MP3 Songs ROCK: Hard Rock, ROCK: Modern Rock Details: BIGMUFF Combine powerful melodies with a fetish for Gibson Guitars Marshall stacks and BigMuff is what you get. Infectious hard-hitting rock riffs and fierce live energy have earned BigMuff a reputation as one of Victoria's must-see rock outfits as well as a solid standing as an up coming act worth looking out for. Formed in late 2000, BigMuff integrates influences such as Veruca Salt, Foo Fighters and Guns n Roses. Their first CD "Sun Fun at the Holiday Court" was released in 2002 to overwhelmingly positive reviews and sold over 500 units independently with the help of relentless gigging and local radio support. Currently, BigMuff is preparing for the Canadian release of their brand spanking new CD "Rock Lock", recorded at Mushroom Studios, In-Vision Studios and Studio 1. After returning from an extensive tour of the western US taking BigMuff from Washington to New Mexico and back; playing venues such as L.A.'s Whisky-a-go-go; and sharing stages with acts such as Epic recording artists Dope, Psychopathic's Zug Izland and Earache's Society 1, BigMuff is ready to unleash their new CD back home in Victoria
