A french artist who blends acid-jazz and soul music with beautiful melodies and lyrics. 13 MP3 Songs
URBAN/R&B: Soul, JAZZ: Acid Jazz Details: "Make like David Carion. Write dancing music of very good quality with at the same time sensual, hot and convincing voice. Admittedly, all that is not simple. Because, yes, David manages to produce groove without wearying or falling into the facility. See you soon. I turn over on the track." Promotion De La Musique David Carion is a french artist, composer, author, pianist and singer. He used to play in different soul and funk bands for years, before deciding to record his own first cd,"Rien ne vaudra jamais a". Influenced by UK band Incognito, but also Prince or Stevie Wonder, he writes songs in a groovy style with beautiful melodies. "Listen to David Carion. It sounds good !" Les Enchanteurs "Just listen to that music and fell free to have a great time !" David Carion
