He began playing in the church early on and has an insatiable appetite for music. His pursuit of music lead him to a degree in music at Edinboro University where he joined a group called Sensation Of Herd where they opened for groups such as Kool and the Gang. After school he returned to Pittsburgh to play with local groups known as Fresh Band and Elite Group. It wasn't long before they were opening for groups such as War, Dazz Band and Marvin Gaye. He also played in 2 gospel groups rooted in Pittsburgh named Voiced 4 Christ and Spirit Filled Music Ministries. They have opened for gospel artist Anointed and Shirley Murdock. The wait is now over and this is the beginning of a beautiful relationship. It won't be long before he is on top with the rest and best that music has to offer.
