Electronic Tropical Pop 12 MP3 Songs POP: with Electronic Production, ELECTRONIC: Synthpop

Details: Francesco's first foray into the musical realm comes with a collection of tunes about love and life aptly titled "Love is in the Air" . With a twist on a musical style that he likes to call Tropical Electro-Pop this album will leave everyone wanting more. Laced with electronic undertones a tight production and combining his latin upbringing with his love for synth pop he creates a unique style of effervescence and rhythm sure to appeal to a large audience. "Love is in the Air" is a culmination in song-writing and passion that New York-based and jack-of-all trades Francesco can't wait to share with you. Disco-inspired with upbeat electronica grooves and multi-layered vocals, Francesco brings forward not only his point of view about love but also a state of mind. This will be a guilty-pleasure listening experience that you will want to repeat over and over.
