Christian country music CD of 10 original songs. 10 MP3 Songs GOSPEL: Country Gospel, COUNTRY: Traditional Country Details: George Sheffield has been singing country music since he heard the great Hank Williams singing on one of those mono LPs. Since then George has been singing and writing songs in the country mode. He has performed in various clubs and on various stages wherever he could. In 1981, he released his first record A Dream Come True and Wild Women and Country Music, with both songs reaching the TOP 40 charts locally and even being played nationally. But a change was coming. George gave his life and music to his Lord and Savior Jesus Christ in 1980. Many of his band members did also, and are now active in their local churches. Doors began to open for some of the band to reunite, and they now offer not only Christian music, but also good ol' clean, country music. And they not only specialize in the real country music of yester-year, but also do many of George's originals. In August 2004, George released his CD Alone and Blue, a collection of country songs written by George. In late November he released his Christmas CD It's Christmas Time!, containing new songs written by him. Most recently he has released Crucify Him!, a country gospel CD of ten original songs. George has established a music publishing company, KingdomSong Music Publishing Company, through which he publishes his own songs.
