Fantastic debut full of infectious melodies, crunchy guitars and pure powerpop bliss. 12 MP3 Songs in this album (43:25) ! Related styles: POP: Power Pop, ROCK: College Rock People who are interested in Redd Kross The Posies Teenage Fanclub should consider this download. Details: GIGANTIC by name, GIGANTIC by sound! Irony really that with all the largeness associated with the group that the band is less a group by definition and more a duo. West Aussie brothers Mark and Paul Di Renzo create passionate and articulate music that will drive you to be both a fighter and a lover. Armed with brilliant melodies, infectious harmonies, gutsy balls and all guitars, GIGANTIC have struck a chord with power pop lovers all around the globe! After winning over audiences in their home country for the past few years, the band have finally released their debut album Gigantaphonic Sounds worldwide. This fantastic debut features the singles Lied To, Balloon Animals and Be No More - all enjoying a healthy dose of love from Aussie, European, Japanese and US college radio alike. 2008 has been a massive year for GIGANTIC with the band touring the world twice! Renowned for their exciting live shows, the band wowed audiences in Australia, Japan, Europe and North America. The years highlights included much talked about shows at the prestigious SXSW Festival in Austin, CMJ Music Marathon Festival in New York and POPKOMM Festival in Berlin. Get on board! Glorious guitar pop never sounded so good 10/10 Terry Allen, Heard Magazine Nothing short of brilliant Brett Ladhams, Grok Magazine "A cheeky power-pop trio brimming with young talent.. This exuberant act left fans cheering for more. No surprises there though, as they were named WAMIs Most Promising New Band, and more than lived up to that title" - Lisa Hresko, CMJ New Music Report
