Mp3 Henryboy - Big Brother Needs Some Lovin' Tonite

[DOWNLOAD HERE](#)

16 pop and country tales of triumph and heartache set in a surreal world of computing and guaranteed to gladden the heart of websurfers and technology workers everywhere. 16 MP3 Songs POP: California Pop, COUNTRY: Country Pop Details: Henryboy's Big Brother Needs Some Lovin' Tonite explores the pleasures and perils of computers, computing and the virtual life. The sixteen tracks are set in a world of spook food', progress bars, net estate, electronic whizzkids, dot com casualties, downloaded women and e mail lovers. The cast includes everyone from the UnaBomber to Apple Mac inventors Steve Jobs and Steve Wozniak. With its 68 minutes of pop and country, Big Brother should find a place in the hearts of saddle sore technology workers everywhere. The album was recored in a basement bar in Wellington, New Zealand and has been playlisted by people as far afield Bryansk, Russia and Hong Kong. The album's lyrics are a highly unusual and hilarious mix of computing history, biography and technological nostalgia. A must listen for anyone who ever longed for a 'virtual truckstop angel.'
