

Mp3 Ian Beardsley - Candela Y Cielo

[DOWNLOAD HERE](#)

Solo Flamenco Guitar, deep song, solo acoustic and roots 10 MP3 Songs WORLD: Flamenco, FOLK: Modern Folk Details: Ian Beardsley is a flamenco guitarist who learned his art in Spain, California, and Oregon. He has long devoted his passion for the guitar to the mystery latent in the primordial origins of humankind and nature. He reflects this in his playing, and on this cd, his new view from his mathematical investigations into the cosmos. He completed a book during 2006 called Nature The Pure (Naturaleza Pura) outlining his discovery of the mysterious occurrence of nine-fifths resonating through nature in the most human related symbols, such as silver, gold, sun, moon, water, and air, and his discovery of where the golden ratio would occur in artificial intelligence (AI). He hopes you will enjoy Candela Y Cielo (Bonfire And Sky) and share with him in his reverence for nature, and the encoded message it contains from someone, or something, that seems to tell us we are part of something deepy mystical.
