[DOWNLOAD HERE](#)

Insurgent, alternative, and gothic Americana music. 7 MP3 Songs in this album (27:09) ! Related styles: COUNTRY: Outlaw Country, COUNTRY: Americana People who are interested in 16 Horsepower Hank Williams III Wayne Hancock should consider this download. Details: The first Hellbilly band to be born from the rugged north of Montreal, Joel Kaiser and the Devils Owns debut EP Honky Tonkin' Till the Coffin is an impressive display of God fearing, drink loving, sinning, raucous tunes. Pulsing upright bass along with Kaiser's seductive twang combine to form the album's undeniable charm. Combining equal parts of Hank III's insurgent attitude and Sixteen Horsepower's religious fears, Honky Tonkin' Till the Coffin is a sure bet for all alt-country, neo-country, Americana, and roots fans.
