Easy listening-Instrumentals-some novelty 9 MP3 Songs EASY LISTENING: Background Music, KIDS/FAMILY: Kid Friendly Details: Worked over 30 years in communications equipment procurement, reliability studies, product quality. I had Music as a hobby but was unable to pursue it until I Retired . Currently using Sonar 3 and a Casio k-1630 along with soft synths and a P4 computer. I have had computers since Exidy was a pup. Thru Dr.T on the Amiga. I learned synthesizers using Mini Moog, Casio, Dx-7hd, and various and sundry tape setups. Now I can give it a try with my own CD production. This recording represents a second attempt to express the ideas I have been working on recently using a more careful selection of the pieces. This record will not only put you to sleep but will wake you up in the end, well rested.
