Beautiful solo piano pieces to relax with and get close to. 10 MP3 Songs EASY LISTENING: Background Music, EASY LISTENING: Mood Music Details: Composer and recording artist Jon Galfano is pleased to offer what many are considering his finest solo piano recording to date. His new release 'Going Home' is a ten song album recorded in September of 2005. Utilizing a Kawai RX-7 concert grand piano, one of the finest concert grand pianos found today for the recordings, this fine instrument faithfully captures and translates the subtle nuances and outstanding audible tones directly from Jon's fingers. From the opening 'The Nimble Gypsie' with its infectious melody, to the soft and reflective 'Vera Lived Here, Autumn Moon and Indigo Dreams,' and finishing with the contemplative yet dramatic 'Waters Rising,' this solo piano album is a truly excellent piece of work by Jon Galfano. If solo piano is a music style that you and yours truly love, then this album is a must for your solo piano collection.
