

Mp3 Kz - New Convolution

[DOWNLOAD HERE](#)

The best of electro hip hop with acid techno utilizing cut up backbeats with distorted bass lines that create an infectious package where the complex repetitive riffs engages the mind. 15 MP3 Songs

ELECTRONIC: Techno, ELECTRONIC: Dance Details: If you thought Electronica/Techno was no longer a valid area of musical expression, then you have probably not listened to this new CD(New Convolution)from KZ. KZ has created a CD full of contrasts providing a refreshing change from the mass marketed sounds around. KZ blends the best of electro hip hop with acid techno to make a more professional sound with smoother edges utilizing rich sounding synths, cut up backbeats with distorted bass lines that create an infectious groove and where the complex repetitive synth riffs engages the mind.
