A variety of fun styles including the blues, latin, pop, ballad, old rock and roll and old school rap. 13 MP3 Songs KIDS/FAMILY: General Children's Music, FOLK: Folk Pop Details: Since its release in 1987 "Brown Bear Boogie" has sold close to 5,000 recordings, a modest showing when compared with the big time singers of the airwaves MTV. But when you consider the limited marketing of a state of 350,000 people, thats a copy for just under every one hundred people in Alaska. According to Russell Ashs Factastic Book of 1001 Lists the top selling album of all times is Michael Jacksons "Thriller", with sales close to 40,000,000 which is less than one copy for just under every one hundred people in the World... WHATS UP WITH THAT!!! We dont know, weve been stunned! As for you, please buy one of these recordings and try to figure it out for yourself.
