Hope you listen to every track on my new cd. I love to write about life and love, you know things like that. This is a solo album recorded at the double wide. even though the sound is a little raw, please enjoy the stories. Track #14 is the Bone Head Song, if you play this for your wife or girlfriend after you've done something real stupid, it could save your ass. Yes you may have to pretend your singing it for effect. Also you get 80 minutes of songs with attitude. (What a deal!!)
