Genre Blending Eclectic Rock 11 MP3 Songs ROCK: Progressive Rock, ROCK: Jam-band Details: Off Peak Fare is an exciting new genre blending eclectic rock band. Whether it be world, jazz, funk, latin, or bluegrass, this Long Island based quartet creatively mixes several styles into their own unique sound. Off Peak Fare is set apart from other independant, unsigned bands by great songwriting, meaningful lyrics, and versatile musicians very talented at their own instruments. With a wide array of influences ranging from Paul Simon, and The Beatles to Bela Fleck and Herbie Hancock, you'll hear why Off Peak Fare is so musically diverse. The band is characterized by its four members, and includes the soothing vocals and guitar playing of Michael Martino, the melodic piano of Ryan Honan, flowing bass lines of Jim Lollo and creative drumming of JD Gargano make for a quite enjoyable debut CD!!
