With rich vocals and unique acoustic guitar work he explores a darker beauty with an original blend of country, folk, and rock. 9 MP3 Songs ROCK: Roots Rock, COUNTRY: Country Folk Details: Olen Kent who fronted the band "The Dark" for years in Oregon now takes his music in a new direction with this current release. With all small acoustic arrangements several of the songs are not much more than just vocal and acoustic guitar. Olen expresses hope and beauty in the darker side of life with his unique style of music. He mixes various styles including country, folk, rock roll, classic rock, and more. This album is a relaxing journey to a new sound backed by Olen's dynamic vocals. Produced by James M House and Squank Entertainment.
