Blue eyed blues guitar slinger-singer-songwriter. 11 MP3 Songs BLUES: Rhythm Blues, BLUES: Guitar Blues Details: HOWDY Y'ALL ! My name is Gene Hardage and I'm also known as Sarasota Slim. I'm a true Florida cracker - born in the panhandle and raised in Sarasota - and yes I am slim. I've been at this music stuff longer than I'd like to admit, luckily this makes me somewhat legendary in certain circles. Help me nurture this myth by playing my music for your friends and even calling your local radio stations and seriously suggesting some Sarasota Slim tunes. (say that 7 times real fast!) No loops or samples here - just me and a bunch of fine Tampa Bay area musicians helping to make a variety of blues, r b, and blue eyed soul tunes at my home studio. SarasotaSlim.com
