This is what happens when a Nuyorican (Puerto Rican New Yorker) girl grows up on eighties pop, like Madonna, Prince, Michael Jackson: soulful vocals, intelligent and clever lyrics, and very infectious melodies. 11 MP3 Songs POP: Ambient Pop, POP: Today's Top 40 Details: Originally from New York, Sirena Sol is now based in Los Angeles and along with her band has played both coasts and many venues in between. Unzipping The Mermaid is Sirena's debut CD and features clever lyrics and passionate, soulful vocals. Tracks like "Crying Jags" and "When You Go" are reminiscent of Fiona Apple and Amy Winehouse at their most fabulously despondent, while "Set Myself Free" and "Everywhere In My World" are uplifting and fun. Sometimes compared to Christina Aguilera and Natasha Bedingfield, Sirena Sol brings a fresh mix of sexy and smart to alternapop-soul with Unzipping The Mermaid. People who are interested in Mariah Carey Christina Aguilera Fiona Apple should consider this download.
