

## Mp3 Thomas Donovan - The Lonely Show

[DOWNLOAD HERE](#)

Electronica dance pop textures create a lush sound environment for melodic vocals, provocative lyrics, and thumpin' beat. 12 MP3 Songs ELECTRONIC: Dance, POP: Synth Pop Show all album songs: The Lonely Show Songs Details: Thomas is a multi-faceted independent dance-pop recording artist from Vancouver Canada, who composes, sings, arranges, plays and produces his own music. To date, his mini-label Digital Dreams Music, has released four full album CD's, a selection of 12" singles and several music videos. Currently playlisted on muchmusic, Thomas' latest single "Calling Around the World", reflects his concern for environmental issues and the greater human condition. Globe graphics and skeletal animations emphasize the message in the electrifying video for Calling Around The World. Thomas' latest CD, 'the lonely show' contains several radio hits and dance club mixes which have enjoyed considerable rotation. The album is a unique combination of ballads and high energy tracks that all share a unique quality of poetic, thought provoking lyrics and melodic vocal arrangements.
