

Mp3 Timo And The White Buffalo - Feathers And Blades

[DOWNLOAD HERE](#)

Native American Rock 7 MP3 Songs in this album (31:47) ! Related styles: WORLD: Native American People who are interested in John Lennon The Doors John Legend should consider this download. Details: FEATHERS AND BLADES Is the beginning of a musical from Timo and the White Buffalo..which originated from his dreams and visions in the deserts of the southwest...It begins to tell the story of a young Indian boy named Standing Buffalo who became a prophet in the Old World in the land of Renaud...He is banished to the forbidden canyon of Oh-kwat-nook...for thirty years and left to die because of his visions of the future that foretold of the coming of mass genocide that would destroy all indigenous peoples from what is now known as Alaska to South America....along with his horse Raven Sky, they travel into the land of Ishiwau where they are met with many challenges and adventures....Jerohd the Man of Dreams and Healing Sky Woman and the Singing Stones all play a part in the eventfull outcome of being reborn into the Native American wars of the Americas..immerse yourselves into my blog stories on my website and see the musicals appear..myspace.com/timoandthewhitebuffalo... ALWAYS THINK BEFORE YOU SPEAK..AND ALWAYS SPEAK SOFTLY BECAUSE YOUR WORDS CAN CUT LIKE A BLADE OR SOOTHE LIKE A FEATHER ENTER THE DREAMWORLD
