Brand new, original, old style country music, all different. 12 MP3 Songs COUNTRY: Country Blues, COUNTRY: Country Folk Details: Born in Tennessee and grew in the country. Raised on the dairy farm, helped milked the cows everyday. Listened to country music while milking the cows. Starting singing to the cows to pass the time. Began driving a truck over the road when I grew up. Sang country music over the CB radio. The other truckers seemed to like it, and suggested that I record my songs. So here they are and I hope you like them.
