should consider this download. Details: "Look at this impressive lineup of artists. SYNERGY is a

tour-de-force compilation of some of today's most illuminating artists in the New Age music genre. One

thing that stands out about the album is its breadth -- you have the contemporary instrumental work of

Peter Kater and David Arkenstone alongside the Native American sounds of Douglas Blue Feather and

Marina Raye, the touching piano of Stanton Lanier, the vocal purity of Jillian Goldin and Ashana and the

dreamy multi-ethnic fusion work of Kevin Wood. And that's just naming a few of the many artists on this

collection. The songs were sequenced so that each track dovetails perfectly with the one that follows,

sharing similar moods and instrumentation for a seamless experience. The result is a gentle, atmospheric

tapestry of tranquility for you to indulge in; a synergy.." -- Liz Doan / Music Design Senior Buyer
