

Mp3 Warren Caldwell - "house Shaka" The Warren Caldwell Project

[DOWNLOAD HERE](#)

Contemporary, Urban, Gospel; This is a sound that will surely shake up things in the music industry. 14 MP3 Songs GOSPEL: Contemporary Gospel, URBAN/R&B: Contemporary urban Details: Warrens love of Christ, people, and his life experiences are the major influences of his music. Although he enjoys a wide variety of styles and has several mentors, Warren's music reflects a sound in a Contemporary setting, with an Urban background. He has a universal style that is appropriate for all ages and races. Warren will impact your congregation with a high-energy, spirit-filled, shouts of praise to the Lord session. He provides an unparalleled worship experience as he creates spiritual moments and, ushers you into the throne room of Christ. Warren is a dynamic individual who captures your attention with his to-the-point speaking, and joyful/fun demeanor. He has a diverse background in music ministries, as he has directed several choirs, and lead many congregations as the leader of worship on the East Coast. Warren currently is on the praise and worship team and choir at Victorious Praise Fellowship Church in Durham, North Carolina - Pastor Will Nichols (A congregation size of approximately 700 people). Through the years Warren has sang on the same stage with noted artists such as BB CC Winans, James Hall Worship praise, Donald Vales, Samuel Kindrix, Jackson Southernaires, Williams Brothers to name a few. And has sang background for John P. Kee, Donald Vales, And have had the opportunity to be in concert with Joe Pace as a lead and background vocalist. Warren is excited and willing to come to your church, conference, festival, fair, or events. He is in the search to deliver souls. Warren anxiously awaits to have the opportunity to bless you and your congregation!
