Underground Rap From the Streets of Salinas California. Raw Cutting-Edge Material featuring West-Coast All-Stars: X-Raided, Young Droop, Mr. Kee, Sac-Sin, More...All Trunk-Slump Production Produced by Yun-Gun 16 MP3 Songs HIP HOP/RAP: West Coast Rap, HIP HOP/RAP: Rap Details: Armed Deadly: From streets to beats, from hustler to lyricist, from fugitive to legit, Yun-Gun has survived the trials and tests of time from y.g. to o.g. Born in Savannah, Georgia and raised between Mississippi, Louisiana, California, Yun-Gun has earned himself a name that defines a level of street credability and lyrical ammunition. With one independent album under his belt, he has managed to capture a massive audience on the west coast and bring back the feel of classic gangsta rap that has been plagued by biters and imitators. Yun-Gun has shown and improved on his standings as an independent artist by featuring on several compilations with major artists throughout the bay as well as forming his own label "Yun-Gun Productions" which recently released it's first compilation "Point Blank Killaz". Yun-Gun is no stranger in the rap game, he has performed and worked with the best in the bay like X-Raided, Yukmouth, Young Droop, Mr. Kee, T-Nutty from Sacramento. You can find a great number of Yun-Gun fans on the 'Siccness.Net' which is a discussion and advertisement board for gangsta rap and currently receives over 20,000 hits per day. Presently residing in California's central-coast city, 'Salinas', Yun-Gun is working on his second album "The Good Die Yung" in which you can expect a platinum sound with well-rounded material for all audiences as Yun-Gun's music has matured from 'b.g.' to a more methodical lyricist with even catchier hooks and more dangerously hi-tek beats with major bass and catchy melodies. Yun-Gun is not only a lyricist but a producer as well as a graphics designer who has earned an 'AA' in the field of multi-media. If Yun-Gun were put with the best, he would hold his own and prove to be the next voice for street-hop. With versatility and solid delivery on top of bass pounding beats, Yun-Gun's music and voice

are winning trademarks well ahead of their time...
