The ONLY Affiliate Marketing Guide You Will EVER Need... Discover How An Average Joe Went From \$0 - \$5,000.00 A Week Without Ever Having To Create Or Sell A Product Of His Own! (And how you can replicate his strategy in 72 hours or less..) From: Fimi, Operation Affiliate Cash Thursday, February 25, 2010 Dear Friend, Have you ever wondered why certain marketers are able to shoot to the top of the Internets wall of fame, while others are struggling every single day just to make ends meet? What separates them from the rest of us? To be upfront with you, very little.. in fact, the only difference between those that succeed and those that fail are that one group follows an action plan, while the others fumble around unsure what to do next. If you dont have a step by step blueprint that will lead you through a simple, yet critical task list so that you are able to set up high converting landing pages, websites or blogs, you are losing out on an incredible opportunity to finally rid yourself of the chains that keep you locked in place, unable to move forward. I spent the better part of a year frantically trying to figure it out.. to unlock the code that was blocking my entry into the world of high paid super affiliates. I spent a lot of money and countless nights, scrambling to try this method.. that method, whatever I was led to believe

would be my golden ticket into joining the ranks of the Internet's most wealthiest. But NOTHING worked. Months later, I was no further ahead than when I began, except a few thousand dollars in serious debt.. and then I experienced that kind of aha! moment that only hits you when you are at the bottom the wrong, desperate to either jump ship before you lose everything, or suck in that last breath of confidence to give it one final shot.. And thank God I did. Within 7 days of trashing the bogus strategies that I had been using, and wiping my slate clean of all the garbage that cluttered up my hard drive (and head), I decided to take a new approach.. one that not only enabled me to replicate the success of the top super affiliates online but in many cases, leave them in my dust.. miles behind.
