

American Evangelicals Today - Corwin E. Smidt

[DOWNLOAD HERE](#)

American Evangelicals Today provides a broad overview of evangelical Protestants in the U.S. We may think we understand this often-profiled group, but our pictures are usually drawn from mass media accounts or stereotypes. American Evangelicals Today draws on extensive research and survey data to paint an accurate picture of this influential religious group, including social, religious, and political characteristics, and how evangelicals compare to other religious groups. The book also looks at generational differences and possibilities for future change. Author: Smidt, Corwin E.
