Powerful songs with grooves to match -It's rock that makes you think. 10 MP3 Songs ROCK: Folk Rock, ROCK: Funk Rock Details: 10 new songs from singer-songwriter Adam Berkson. The follow-up to the debut Back To It CD, When Morning Comes has more rich lyrical rock. The tradition continues with Adam Berkson writing, performing, producing and recording the entire CD. From the sardonic "The Remedy Part 2" to the danceable "Another Day", these songs speak to a more thoughtful listener. There is power and drama and even a little humor as in the blues anthem "What's Up". Lyrics are on the official website adamberkson.com
