

## Mp3 Basshound - Electronic: Experimental

[DOWNLOAD HERE](#)

Blending the sounds of funk, electronica, folk, and rock, Basshound enjoys exploring new and creative avenues, taking audiences through the twists and turns of various styles of music. 8 MP3 Songs  
ELECTRONIC: Experimental, URBAN/R&B: Funk Details: Instrumentation Nathan Graham Gretsch  
Drums, Banjo, Vocals Greg Maly Electric, Acoustic, and Slide Guitars, Vocals Blake Mobley Wurlitzer,  
Organ, Synthizers, Vocals Bradley Richmond Fender and Musicman Bass Guitars, Vocals Colin Woods  
Mandolin, Acoustic Guitar, Vocals Biography Currently making waves in the Baltimore and Washington  
DC music scene, Basshound evolved out of a group of friends who have enjoyed making music together  
for years. Blending the sounds of funk, electronic, folk, and rock, Basshound has emerged onto the scene  
as a unique and versatile band that will keep your feet moving and your head bobbing. Comprised of  
drums, bass, guitar, keyboards, and vocals, Basshound enjoys exploring new and creative avenues,  
taking audiences through the twists and turns of various styles of music. Discography Basshound  
released its self-titled debut EP in April of 2007. The band will be heading back to the studio in the month  
of May to begin work on the next one.
