

# Mp3 Can Atilla - Waves Of Wheels

[DOWNLOAD HERE](#)

Electronic music with lots of sequencing and retro elements in the style of Tangerine Dream 14 MP3 Songs in this album (78:25) ! Related styles: NEW AGE: Progressive Electronic, ELECTRONIC: Electronica People who are interested in Tangerine Dream Jean Michel Jarre Klaus Schulze should consider this download. Details: Up to now this has only been available as CD-R but now it will be released in it's full glory... With bonus tracks and a new cover! Can Atilla: Keyboards, programming, drumming Cenk Erolu: Lead guitars Meri Demirkol: Alto and Soprano sax All music composed, arranged and produced by Can Atilla. Tracks 1-10 recorded and mixed at Studio Ankara by Goksan Arman in 1996. Tracks 12-14 recorded and mixed at "Home" Studio in 1998. Track 11 recorded and mixed at Poem Studio in May 2003. 2003. Press information. I've always loved electronic musik that can really touch my soul and this release is just one of them that can do that, I find Can Atilla's style to be his own, Not sounding like Tangerine Dream or Klaus Schulze or Jean Michel Jarre, It's a beautifully created set of melodic pieces that will truly become a wonderful classic "Love Sequence" is Excellent!!..Loved.. 2008. The Cosmic Frequencies
