Folk and blues inspired alternative rock. 11 MP3 Songs BLUES: Funky Blues, ROCK: Acoustic Details: Formed in 1998, Menard formed "Cassius King," an acoustic-based alternative rock band that toured the Midwestern states and Ontario. "While many bands can't seem to decide if they want to write great songs or just groove, Cassius King's debut offers acoustic-based tracks that are heavy on both groove and melody. The well-crafted, dynamic songs are fleshed out by the impressively tight rhythm section, shuffling guitars and excellent vocals that are both tuneful and soulful." Mike Breen (Cincinnati Citybeat volume 5, issue 14; Feb. 25-Mar. 3)
