Details: EPHIE LOWINGER New York native, Ephie Lowinger is a writer, singer, and spoken-word phenomenon. This jack-of-all-trades possesses a talent and maturity far beyond his years. Lowinger spent three years as a stand-up comedian playing for crowds all around NYC before deciding he needed another outlet. He turned to music to help him express the poetically somber and somberly comical. His influences range from Billy Joel to the Beatles to REM, Bob Dylan, Green Day, Paul Simon and The Muppets (yes The Muppets). As a poet, Lowinger rivals the best in the world and incorporates an evolved lyrical sense in both his poetry and song. Lowingers debut album, Ive Learned is a wonderful microcosm of his deeply spiritual sound and insightful lyrics. The album has truly taken his music to a level rivaled only by the very best. Collaborating with talented producer and musician Larry Gates, the collection is a musical journey that anyone can relate to. Ive Learned features a hard-hitter opening, Not Gonna Fall For You, which is complemented by the sweet subtle irony of In Bed. Although Lowingers sultry, evocative strains cover a wide range of human emotion, he remains true to his art on every track. Ive Learned also includes guest performances by some of New Yorks finest musical talent including drummers Wes Little (Joe Perry, Jamie Fox) and Mo Roberts (Mark Pender Band) Gershovsky (musical director Manhattan Transfer), bassist Jack Mc Loryd (Ray Charles, Dave Mason) and multi award-winning producer/ composer/ engineer, Larry Gates. With his raw talent and gift for the spoken word, this exceptionally versatile singer/songwriter is sure to make headlines. People who are interested in Billy Joel Barenaked Ladies Maroon 5 should consider this download.
